

# **Lake Arthur Municipal Schools**

## **Athletic Program Goals**

1. All student athletes shall be able to commit to personal and team performance goals within the positive character attributes fundamental to personal and team success that Lake Arthur Municipal Schools have identified within its extra-curricular activities contract.
2. Student athletes shall be able to apply fundamental skills of the sport in a competitive situation.

## **Program Responsibility Goals**

1. Each coach shall be responsible in conjunction with the team members as a whole for setting team and individual performance goals and establishing the linkage between these sets of goals to reach the stated team achievement objectives.
2. The person responsible for the varsity program shall set the offensive and defensive schemes and the requisite skills to perform within the performance expectations of those schemes.
3. Proficiency of fundamental skills approaching automaticity in a given sport shall be a major performance goal of middle school teams.
4. The middle school teams shall institute a participative program in which the student athlete shall demonstrate fundamental skill proficiency and growth during the season.
5. The varsity school teams shall institute a competitive program in which the student athlete shall demonstrate fundamental skill proficiency in competitive situations. Participative context shall refer to being able to step into the competitive situation at any time during the competitive event.
